MINISTRY OF HOME AFFAIRS

New Delhi, the 1st May 1965

S.O. 1512.—In exercise of the powers conferred by the proviso to article 309 and clause (5) of article 143 of the Constitution, and after consultation with the Comptroller and Auditor General in relation to persons serving in the Indian Audit and Accounts Department, the President is pleased to make, in supersession of the Central Civil Services (Temporary Service) Rules, 1949, the following rules to regulate the conditions of service of temporary Government servants, namely:—

1. **Short title, commencement and application.**—(1) These Rules may be called the Central Civil Services (Temporary Service) Rules, 1965.

(2) They shall come into force at once.

(3) Subject to the provisions of sub-rule (4), these rules shall apply to all persons who hold a civil post under the Government of India and who are under the rule-making control of the President, but who do not hold a lien or a suspended lien on any post under the Government of India or any State Government.

(4) Nothing in these rules shall apply to—

- railway servants;
- personnel paid from Defence Service Estimates;
- government servants not in whole time employment;
- government servants engaged on contract;

- (e) government servants paid out of contingencies;
- (f) persons employed in extra-temporary establishments or in work-charged establishments;
- (g) non-departmental telegraphists and telegraphmen employed in the Posts and Telegraphs Department;
- (h) such other categories of employees as may be specified by the Central Government by notification published in the official gazette.

2. **Definition.**—In these rules, unless the context otherwise requires—

- (a) "appointing authority" means, in relation to a specified post, the authority declared as such under the Central Civil Services (Classification, Control and Appeal) Rules, 1957;
- (b) "quasi-permanent service" means temporary service commencing from the date on which a declaration made under rule 3 takes effect and consists of periods of duty and leave (other than extraordinary leave) after that date.
- (c) "specified post" means the particular post, or the particular grade of posts within a cadre, in respect of which a Government servant is declared to be quasi-permanent under rule 3;
- (d) "temporary service" means the service of a temporary Government servant in a temporary post or officiating service in a permanent post, under the Government of India.

3. **When a Government servant shall be deemed to be quasi-permanent.**—A Government servant shall be deemed to be in quasi-permanent service—

- (i) if he has been in continuous temporary service for more than three years; and
- (ii) if the appointing authority, being satisfied, having regard to the quality of his work, conduct and character, as to his suitability for employment in a quasi-permanent capacity under the Government of India, has made a declaration to that effect.

4. **Declaration under rule 3 to specify the post.**—A declaration made under rule 3 shall specify the particular post or the particular grade of posts within a period, in respect of which it is made, and the date from which it shall take effect.

5. **Termination of temporary service.**—(1) (a) The services of a temporary Government servant who is not in quasi-permanent service shall be liable to termination at any time by a notice in writing given either by the Government servant to the appointing authority, or by the appointing authority to the Government servant;

- (b) the period of notice shall be one month;

Provided that the services of any such Government servant may be terminated forthwith by payment to him of a sum equivalent to the amount of his pay plus allowances for the period of the notice at the same rates at which he was drawing them immediately before the termination of his services or, as the case may be, for the period by which such notice falls short of one month.

(2) (a) Where a notice is given by the appointing authority terminating the services of a temporary Government servant, or where the services of any such Government servant is terminated either on the expiry of the period of such notice or forthwith by payment of pay plus allowances, the Central Government or any other authority specified by the Central Government in this behalf may, of its own motion or otherwise, re-open the case, and after calling for the records of the case and after making such inquiry as it deems fit,—

- (i) confirm the action taken by the appointing authority;
- (ii) withdraw the notice;
- (iii) re-instate the Government servant in service; or

(iv) make such other order in the case as it may consider proper:

Provided that except in special circumstances, which should be recorded in writing, no case shall be reopened under this sub-rule after the expiry of three months:

(i) from the date of notice, in a case where notice is given;

(ii) from the date of termination of service, in a case where no notice is given.

(b) Where a Government servant is re-instated in service under sub-rule (2) the order of re-instatement shall specify—

(i) the amount or proportion of pay and allowances, if any, to be paid to the Government servant for the period of his absence between the date of termination of his services and the date of his re-instatement; and

(ii) whether the said period shall be treated as a period spent on duty for any specified purpose or purposes.

6. Termination of temporary service on account of physical unfitness.—Notwithstanding anything contained in rule 5, the services of a temporary Government servant who is not in quasi-permanent service may be terminated at any time without notice on his being declared physically unfit for continuance in service by an authority who would have been competent to declare him as permanently incapacitated for service had his appointment been permanent.

7. Termination of quasi-permanent service.—(1) The Services of a Government servant in quasi-permanent service, shall be liable to termination—

(i) in the same circumstances and in the same manner as a Government servant in permanent service, or

(ii) when the appointing authority concerned has certified that a reduction has occurred in the number of posts available for Government servants not in permanent service:

Provided that the services of a Government servant in quasi-permanent service shall not be liable to termination under clause (ii) so long as any post of the same grade and under the same appointing authority as the specified post held by the Government servant in quasi-permanent service continues to be held by a Government servant not in permanent or quasi-permanent service:

Provided further that as among Government servants in quasi-permanent service whose specified posts are of the same grade and under the same appointing authority, termination of service consequent on reduction of posts, shall ordinarily take place in order of juniority in the list referred to in rule 8:

Provided further that when the services of a quasi-permanent Government servant are terminated under clause (ii), he shall be given three months' notice and if, in any case, such notice is not given, then with the sanction of the authority competent to terminate the services of such Government servant, a sum equivalent to his pay plus allowances for the period of the notice, or, as the case may be, for the period by which the notice actually given to him falls short of three months, shall be paid to him at the same rates at which he was drawing them immediately before the termination of his services, and, if he is entitled to any gratuity, such gratuity shall not be paid for the period in respect of which he receives a sum in lieu of notice.

(2) Nothing in this rule shall affect any special instructions issued by Government regarding the manner and the order in which temporary Government servants belonging to any scheduled caste or scheduled tribe may be discharged.

8. Permanent appointment of Government servant in quasi-permanent service.—

(1) Subject to the provisions of this rule a Government servant in respect of whom the declaration has been made under rule 3, shall be eligible for a permanent appointment on the occurrence of a vacancy in the specified post which may be reserved for being filled from among Government servants in quasi-permanent service, in accordance with such instructions as may be issued by the President in this behalf from time to time.

Explanation.—No such declaration shall confer upon any Government servant in quasi-permanent service a right to claim a permanent appointment to any post.

(2) Every appointing authority shall, after consultation with the appropriate Departmental Promotions Committee, prepare from time to time a list, in order of precedence, of Government servants in quasi-permanent service who are eligible for permanent appointment and in preparing such list, the appointing authority shall consider both the seniority and the merit of the Government servants concerned.

(3) All permanent appointments to posts which are reserved under sub-rule (1) under the control of any appointing authority shall be made in accordance with such list:

Provided that the Government may order that permanent appointment to any grade or post may be made purely in order of seniority.

9. Leave, allowances, etc. of a Government servant in quasi-permanent service.—A Government servant in quasi-permanent service and holding a specified post shall, as from the date on which his services are declared to be quasi-permanent, be entitled to the same conditions of service in respect of leave, allowances and disciplinary matters as a Government servant in permanent service holding the specified post is entitled to.

10. Terminal gratuity payable to temporary Government servants.—(1) A temporary Government servant who retires on superannuation or is discharged from service or is declared invalid for further service, shall be eligible for a gratuity at the rate of one third of a month's pay for each completed year of his service, provided that he had completed not less than five years' continuous service at the time of retirement, discharge or invalidment.

(2) **Death gratuity.**—In the event of the death of a temporary Government servant while in service, his family shall be eligible for a death gratuity on the scale and subject to the conditions specified below—

- (a) if the death takes place after completion of one year's service but before completion of three years' service, a gratuity equal to one month's pay;
- (b) if the death takes place after completion of three years' service but before completion of five years' service,—a gratuity equal to two months' pay;
- (c) if the death takes place after completion of five years' service or more,—a gratuity equal to three months' pay or the amount of terminal gratuity as calculated under sub-rule (1), whichever is more;

Provided that the grant of gratuity under this rule shall be subject to the service rendered by the Government servant concerned being held by the authority competent to appoint him to be satisfactory:

Provided further that no gratuity shall be admissible in a case where the Government servant concerned resigns his post or is removed or dismissed from service as a disciplinary measure:

Provided further that no gratuity shall be admissible under this rule to a Government servant re-employed after retirement.

Explanation.—"Pay" for the purpose of determining the amount of terminal or death gratuity under this rule shall include pay on the last day of service and dearness pay in the case of persons who draw pay in the pre-revised scales but shall not include special pay, personal pay and other emoluments classed as 'Pay'. In the case of a Government servant who was on leave with or without allowances on the date of his retirement, discharge, invalidment or death, pay for this purpose shall be the pay which he drew immediately before proceeding on such leave, provided that the benefit of increase in pay, not actually drawn due to increment or promotion to a post carrying a higher rate of pay falling during earned leave not exceeding 120 days or the first 120 days of earned leave where the total leave exceeds 120 days, shall also be admissible.

11. Terminal gratuity payable to a Government servant in quasi-permanent service.—(1) A Government servant in quasi-permanent service shall, if his services are terminated otherwise than as a disciplinary measure or by resignation, be eligible for a gratuity at the rate of one-half of a month's pay for each completed year of quasi-permanent service, such gratuity being payable on the basis of the pay admissible to such Government servant in respect of the specified post on the last day of his service.

(2) In the event of the death of a quasi-permanent Government servant while in service his family shall be granted gratuity on the following scale—

(i) if the death takes place after completion of three years but before completion of 5 years of total continuous service,—a gratuity equal to three months' pay,

(ii) if the death takes place after completion of five years' total continuous service or more,—a gratuity equal to four months' pay or gratuity under sub-rule (1) above whichever is more;

Provided that this rule shall not apply to a Government servant borne on establishments to which Contributory Provident Fund benefits are attached.

Explanation.—For the purpose of this rule,—

(a) 'Quasi-permanent service' shall mean and include two-thirds of purely temporary service as defined in clause (d) of rule 2, if the total period of continuous service on the date of retirement, discharge, death or invalidment is not less than 5 years.

(b) 'Pay' shall mean, besides pay, special pay attached to the specified post on the last day of his service.

(c) In the case of those who draw pay in the pre-revised scales, the term pay shall also include 'dearness pay'.

(d) In the case of a quasi-permanent Government servant who holds or held a higher post or grade at the time of the termination of his services, the term 'pay' under this rule shall include also one half of the difference between the pay in the specified post and the pay actually drawn in the higher officiating post or grade.

(e) If, immediately before the termination of his services a quasi-permanent Government servant has been absent from duty on leave, the gratuity payable under this rule shall be computed at what it would have been had he not been absent from duty:

Provided that the amount of gratuity shall not be increased on account of increase in pay not actually drawn and that benefit of higher officiating or temporary pay is given only if it is certified that the Government servant would have continued to hold the higher officiating or temporary appointment but for his proceeding on leave:

Provided further that the benefit of increase in pay, not actually drawn due to increment or promotion to a post carrying a higher rate of pay falling during earned leave not exceeding 120 days or the first 120 days of earned leave where the total leave exceeds 120 days shall be admissible.

(f) The term 'continuous service' occurring in this rule means the total service including spells of quasi-permanent and temporary service as defined in clauses (b) and (d) of rule 2 of these rules respectively.

- (क) “नियुक्ति-प्राधिकारी” से किसी विनिर्दिष्ट पद के सम्बन्ध में, वह प्राधिकारी अभिप्रेत है जिसे केन्द्रीय सिविल सेवा (वर्गीकरण, नियंत्रण और अपील) नियम, 1957 के अधीन नियुक्ति-प्राधिकारी घोषित किया गया है;

- (ग) “विनिर्दिष्ट पद” से वह विशिष्ट पद, या किसी संवर्ग में के पदों का वह विशिष्ट ग्रेड अभिप्रेत है जिसके लिये कि किसी सरकारी सेवक को नियम 3 के अधीन स्थायिवत् घोषित किया जाता है ;

- (i) यदि वह तीन वर्ष से अधिक तक निरन्तर अस्थायी सेवा में रहा है; और
- (ii) यदि नियुक्ति-प्राधिकारी ने उसके काम के गुण, उसके आचरण और चरित्र को ध्यान में रखते हुए, भारत सरकार के अधीन स्थायिवत् हैसियत में नियोजन के लिए उसकी समुपयुक्तता के बारे में अपना समाधान हो जाने पर, उस आशय की घोषणा कर दी है।

4. नियम ३ के अधीन घोषणा में पद का विनिर्दिष्ट होना—नियम 3 के अधीन की गई घोषणा में वह विशिष्ट पद या किसी संवर्ग में के पदों का वह विशिष्ट ग्रेड जिसके लिए वह घोषणा की गई है और वह तारीख, जिससे वह प्रभावी होगी, विनिर्दिष्ट होगी।

5. अस्थायी सेवा का पर्यवसान—(1) (क) ऐसे अस्थायी सरकारी सेवक की सेवाएं, जो स्थायित्व सेवा में नहीं हैं, लिखित नोटिस द्वारा जो या तो सरकारी सेवक द्वारा नियुक्ति-प्राधिकारी को या नियुक्ति-प्राधिकारी द्वारा सरकारी सेवक को दिया गया हो, किसी भी समय पर्यवसित की जा सकेगी;

(ख) ऐसे नोटिस की कालावधि एक मास होगी;

परन्तु ऐसे किसी सरकारी सेवक की सेवाएं, यथास्थिति नोटिस की कालावधि के लिए या उतनी कालावधि के लिए, जितनी से वह नोटिस एक मास से कम पड़ता हो, उसे उन दरों पर, जिन पर कि वह वेतन और भत्ते अपनी सेवाओं के पर्यवसान से तुरन्त पूर्व ले रहा था, वेतन की रकम तथा भत्तों इन दोनों के योग के बराबर धनराशि देकर, तत्क्षण पर्यवसित की जा सकेगी।

(2) (क) जहां कि नियुक्ति-प्राधिकारी द्वारा किसी अस्थायी सरकारी सेवक की सेवाओं का पर्यवसान करने वाला नोटिस दिया जाता है या जहां कि किसी ऐसे सरकारी सेवक की सेवाएं या तो ऐसे नोटिस की कालावधि के अवसान पर, या वेतन और भत्तों दोनों का संदाय करके तत्क्षण पर्यवसित की जाती है, वहां केन्द्रीय सरकार या केन्द्रीय सरकार द्वारा इस निमित्त विनिर्दिष्ट कोई अन्य प्राधिकारी, स्वप्रेरणा से या अन्यथा, मामले पर फिर से विचार कर सकेगा और मामले के अभिलेख मंगाने के पश्चात् तथा ऐसी जांच करने के पश्चात् जिसे वह ठीक समझे—

- (i) नियुक्ति-प्राधिकारी द्वारा की गई कार्यवाही की पुष्टि कर सकेगा;
- (ii) नोटिस वापस ले सकेगा;
- (iii) सरकारी सेवा की सेवा में पुनः स्थापित कर सकेगा; अथवा
- (iv) उस मामले में ऐसा अन्य आदेश दे सकेगा जो वह उचित समझे;

परन्तु विशेष परिस्थितियों के सिवाय जो अभिलिखित की जानी चाहिए किसी भी मामले पर—

- (i) उस दशा में जिसमें नोटिस दिया जाता है नोटिस की तारीख से;
 - (ii) उस दशा में, जब कोई नोटिस नहीं दिया जाता, सेवा के पर्यवसान की तारीख से;
- तीन मास के अवसान के पश्चात्, इस उपनियम के अधीन फिर से विचार नहीं किया जायेगा।

(ख) जहां कि किसी सरकारी सेवक को उपनियम (2) के अधीन सेवा में पुनः स्थापित किया जाता है, वहां पुनः स्थापन के आदेश में—

- (i) वेतन और भत्तों की, यदि कोई हों, जोकि सरकारी सेवक को उसकी सेवाओं के पर्यवसान की तारीख और उसके पुनः स्थापन की तारीख के बीच उसकी अनुपस्थिति की कालावधि के लिए दिये जाने हैं, रकम या अनुपात विनिर्दिष्ट होगा; और
- (ii) यह विनिर्दिष्ट होगा कि क्या उक्त कालावधि को किसी विनिर्दिष्ट प्रयोजन या प्रयोजनों के लिए कर्तव्य पर बितायी गई कालावधि माना जायेगा।

6. शारीरिक अावस्थता के कारण अस्थायी सेवा का पर्यवसान —नियम 5 में अन्तर्विष्ट किसी बात के होते हुए भी, ऐसे अस्थायी सरकारी सेवक की सेवायें, जो स्थायिवत् सेवा में नहीं हैं, ऐसे प्राधिकारी द्वारा, जो यदि उस सेवक की नियुक्ति स्थायी होती तो उसे सेवा के लिये स्थायी रूप से असमर्थ घोषित करने के लिये सूक्ष्म होता, सेवा में बने रहने के लिये शारीरिक रूप से अस्वस्थ घोषित कर दिये जाने पर, बिना नोटिस के किसी भी समय पर्यवसित की जा सकेगी ।

7. स्थायिवत् सेवा का पर्यवसान—(1) स्थायिवत् सेवा में के किसी भी सरकारी सेवक की सेवायें—

- (i) उन्हीं परिस्थितियों में जिनमें और उसी रीति से जिससे कि स्थायी सेवा में के सरकारी सेवक की सेवायें पर्यवसित होती हैं, पर्यवसित की जा सकेगी; अथवा
- (ii) तब पर्यवसित की जा सकेंगी जब कि सम्पूक्त नियुक्ति—प्राधिकारी ने प्रमाणित कर दिया हो कि उन सरकारी सेवकों के लिये, जो कि स्थायी सेवा में नहीं हैं, उपलब्ध पदों की संख्या में कमी हो गई है :

परन्तु स्थायिवत् सेवा में के सरकारी सेवक की सेवाएं खण्ड (ii) के अधीन तब तक पर्यवसित नहीं की जा सकेंगी जब तक कि उसी ग्रेड का और उसी नियुक्ति—प्राधिकारी के अधीन, जिस ग्रेड का और जिस नियुक्ति—प्राधिकारी के अधीन, स्थायिवत् सेवा में के उस सरकारी सेवक द्वारा धृत विनिर्दिष्ट पद है, कोई पद ऐसे सरकारी सेवक द्वारा धृत रहता है जो स्थायी या स्थायिवत् सेवा में नहीं है :

परन्तु यह और कि पदों की कमी की जाने के परिणामस्वरूप स्थायिवत् सेवा में के उन सरकारी सेवकों के बीच, जिनके विनिर्दिष्ट पद एक ही ग्रेड के और एक ही नियुक्ति—प्राधिकारी के अधीन हैं, सेवा का पर्यवसान मामूली तौर पर नियम 8 में विनिर्दिष्ट सूची में कनिष्ठता के क्रम में होगा :

परन्तु यह और भी कि जब किसी स्थायिवत् सरकारी सेवक की सेवायें खण्ड (ii) के अधीन पर्यवसित की जायेंगी तो उसे तीन मास का नोटिस दिया जायेगा और यदि, किसी दशा में, ऐसा नोटिस न दिया जाये तो उसे उस प्राधिकारी की मंजूरी से, जो ऐसे सरकारी सेवक की सेवाएं पर्यवसित करने के लिए सक्षम हो, यथास्थिति, नोटिस की कालावधि के लिए या उतनी कालावधि के लिए जितनी से कि उसे वस्तुतः दिया गया नोटिस तीन मास से कम पड़े, उन दरों पर, जिन पर कि वह वेतन और भत्ते अपनी सेवाओं के पर्यवसान के तुरन्त पूर्व ले रहा था, वेतन की रकम तथा भत्तों, इन दोनों, के योग के बराबर धनराशि दी जायेगी और यदि वह किसी उपदान का हक्कार है तो ऐसा उपदान उस कालावधि के लिए नहीं दिया जायेगा जिसके लिए उसे सूचना के बदले धनराशि मिल जाती है ।

(2) इस नियम की कोई बात उस रीति और उस क्रम के बारे में, जिसमें किसी अनुसूचित जाति या अनुसूचित आदिम जाति के अस्थायी सरकारी सेवक उन्मोचित किये जा सकेंगे, सरकार द्वारा जारी किये गये किन्हीं विशेष अनुदेशों को प्रभावित नहीं करेगी ।

8. स्थायिवत् सेवा में सरकारी सेवक की स्थायी नियुक्ति—(1) इस नियम के उपबन्धों के अध्याधीन ऐसा सरकारी सेवक, जिसके बारे में नियम 3 के अधीन घोषणा कर दी गई है, उस विनिर्दिष्ट पद में रिक्ति होने पर स्थायी नियुक्ति का पात्र होगा जो स्थायिवत् सेवा में के सरकारी सेवकों में से भरे जाने के लिए ऐसे अनुदेशों के अनुसार आरक्षित किया जाये जो राष्ट्रपति द्वारा समय-समय पर इस निमित्त निकाले जायें ।

स्पष्टीकरण—ऐसी कोई घोषणा स्थायिवत् सेवा में के किसी सरकारी सेवक को किसी पद पर स्थायी नियुक्ति का दावा करने का अधिकार प्रदत्त नहीं करेगी।

(2) हर नियुक्ति-प्राधिकारी, सम्बन्धित विभागीय पदोन्नति समिति से परामर्श करने के पश्चात्, स्थायिवत् सेवा में के उन सरकारी सेवकों की जो स्थायी नियुक्ति के पात्र हैं, एक सूची पूर्ववर्तिता क्रम में समय-समय पर तैयार करेगा, और ऐसी सूची तैयार करने में, नियुक्ति-प्राधिकारी सम्पूक्त सरकारी सेवकों की ज्येष्ठता और योग्यता दोनों पर विचार करेगा।

(3) किसी भी नियुक्ति-प्राधिकारी के नियंत्रणाधीनस्थ उन पदों पर, जो उपनियम (1) के अधीन आरक्षित ह, सभी स्थायी नियुक्तियाँ ऐसी सूची के अनुसार की जायेंगी :

परन्तु सरकार आदेश दे सकेगी कि किसी ग्रेड या पद पर स्थायी नियुक्ति केवल ज्येष्ठता के क्रम में की जाये।

9. **स्थायिवत् सेवा में के सरकारी सेवक की छुट्टी, भत्ते आदि**—कोई भी सरकारी सेवक जो स्थायिवत् सेवा में हो और विनिर्दिष्ट पद धारण करता हो उस तारीख से जिसको उसकी सेवायें स्थायिवत् घोषित की जाती हैं, छुट्टी, भत्तों और अनुशासनिक मामलों के बारे में सेवा की उन्हीं शर्तों का हकदार होगा जिनके लिये कि विनिर्दिष्ट पद धारण करने वाला स्थायी सेवा में का सरकारी सेवक हकदार होता है।

10. **अस्थायी सरकारी सेवकों की वेतन सँवात उपदान**—(1) अस्थायी सरकारी सेवक, जो अधिवार्षिकी पर सेवा-निवृत्त होता है या सेवा से उन्मोचित किया जाता है या अपर सेवा के लिये अशक्त घोषित किया जाता है, अपनी सेवा के हर एक पूरे वर्ष के लिये एक मास के वेतन के एक-तिहाई की दर से उपदान का हकदार होगा, परन्तु यह तब जब कि उसने सेवा-निवृत्ति उन्मोचन या अशक्त होने के समय अन्तून पांच वर्ष की निरन्तर सेवा पूरी कर ली हो।

(2) **मृत्यु उपदान**—अस्थायी सरकारी सेवक की सेवा के दौरान मृत्यु हो जाने पर उसका कुटुम्ब उस मान के अनुसार और उन शर्तों के अध्वधीन मृत्यु-उपदान का पात्र होगा जो नीचे विनिर्दिष्ट हैं :—

- (क) यदि मृत्यु एक वर्ष की सेवा पूरी हो जाने के पश्चात् किन्तु तीन वर्ष की सेवा पूरी होने के पहले हो तो एक मास के वेतन के बराबर उपदान;
- (ख) यदि मृत्यु तीन वर्ष की सेवा पूरी हो जाने के पश्चात् किन्तु पांच वर्ष की सेवा पूरी होने के पहले हो तो दो मास के वेतन के बराबर उपदान;
- (ग) यदि मृत्यु पांच वर्ष या अधिक की सेवा पूरी हो जाने के पश्चात् हो तो तीन मास के वेतन या उपनियम (1) के अधीन यथासंगणित सेवान्त उपदान की रकम, इनमें से जो भी अधिक हो, के बराबर उपदान :

परन्तु इस नियम के अधीन उपदान का अनुदान इस बात के अध्वधीन होगा कि सम्पूक्त सरकारी सेवक द्वारा की गई सेवा उस प्राधिकारी द्वारा, जो उसे नियुक्त करने के लिए सक्षम है, संतोषजनक मानी जाती है :

परन्तु यह और कि उस दशा में कोई उपदान अनुज्ञेय नहीं होगा जबकि सम्पूक्त सरकारी सेवक अपने पद से त्यागपत्र दे देता है या अनुशासनिक कार्यवाही के रूप में उसे सेवा से हटाया या ज्युस किया जाता है :

परन्तु यह और भी कि सेवा-निवृत्ति के पश्चात् पुनर्नियोजित सरकारी सेवक को इस नियम के अधीन कोई उपदान अनुज्ञेय नहीं होगा।

स्पष्टीकरण—इस नियम के अधीन सेवान्त या मृत्यु उपदान की रकम का अवधारण करने के प्रयोजन के लिये “वेतन” के अन्तर्गत सेवा के अन्तिम दिन जो वेतन हो वह तथा उन व्यक्तियों की दशा में जो पुनरीक्षण-पूर्व के मानों के अनुसार वेतन लेते हैं मंहगाई वेतन होगा, किन्तु विशेष वेतन, वैयक्तिक वेतन और अन्य उपलब्धियां जो “वेतन” के रूप में वर्गीकृत हैं इसके अन्तर्गत नहीं होंगी। ऐसे सरकारी सेवक की दशा में जो अपनी सेवा-निवृत्ति, उन्मोचन, अशक्त होने या मृत्यु की तारीख को, भत्तों सहित या रहित छुट्टी पर था, इस प्रयोजन के लिए वेतन वह वेतन होगा जो उसने ऐसी छुट्टी पर अग्रसर होने के ठीक पहले लिया था, परन्तु यदि वेतन में किसी वृद्धि का जिसे इस कारण नहीं लिया गया है कि वृद्धि अथवा उच्च दर के वेतन वाले पद पर उन्नति अर्जित छुट्टी के दौरान पड़ी है, फायदा भी 120 दिन से अनधिक के लिए अथवा यदि कुल छुट्टी 120 दिन से अधिक की हो तो प्रथम 120 दिन के लिए स्वीकार्य होगा।

11. **स्थायिवत् सेवा में के सरकारी सेवक को सेवान्त उपदान का देय होना—**(1) स्थायिवत् सेवा में का सरकारी सेवक, यदि उसकी सेवाएं, अनुशासनिक कारण से या पदत्याग से अन्यथा पर्यवसित होती हैं तो, स्थायिवत् सेवा के हर पूरे वर्ष के लिए एक मास के वेतन के आधे की दर से उपदान का पात्र होगा; ऐसा उपदान उस वेतन के आधार पर देय होगा जो कि विनिर्दिष्ट पद के लिए ऐसे सरकारी सेवक को उसकी सेवा के अन्तिम दिन पर अनुज्ञेय हो।

(2) स्थायिवत् सरकारी सेवक की मृत्यु सेवा में रहने के दौरान हो जाने पर उसके कुटुम्ब-को उपदान निम्नलिखित मान के अनुसार अनुज्ञात किया जायेगा :—

- (i) यदि मृत्यु कुल निरन्तर सेवा के तीन वर्ष पूरे हो जाने के पश्चात् किन्तु पांच वर्ष पूरे होने के पहिले हो तो तीन मास के वेतन के बराबर उपदान;
- (ii) यदि मृत्यु पांच वर्ष या उससे अधिक की कुल निरन्तर सेवा पूरी हो जाने के पश्चात् हो तो चार मास के वेतन के बराबर उपदान अथवा उपर्युक्त उपनियम (1) के अधीन उपदान, इन में से जो भी अधिक हो :

परन्तु यह नियम ऐसे सरकारी सेवक को लागू नहीं होगा जो उन स्थापनाओं में आ गया हो जिनमें अंशदायी भविष्य निधि के फायदे प्राप्त हैं।

स्पष्टीकरण—इस नियम के प्रयोजन के लिये—

- (क) “स्थायिवत् सेवा” से उस दशा में जब कि सेवा-निवृत्ति, उन्मोचन, मृत्यु या अशक्त होने की तारीख को निरन्तर सेवा की कुल कालावधि पांच वर्ष से अन्यून है, नियम 2 के खण्ड (घ) में यथा परिभाषित सर्वथा अस्थायी सेवा का दो-तिहाई अभिप्रेत और उसके अन्तर्गत होगा।
- (ख) “वेतन” से वेतन के अलावा वह विशेष वेतन अभिप्रेत होगा जो उसकी सेवा के अन्तिम दिन पर विनिर्दिष्ट पद पर प्राप्त हो।
- (ग) उन व्यक्तियों की दशा में, जो पुनरीक्षणपूर्व के मानों के अनुसार वेतन लेते हैं, वेतन पद के अन्तर्गत “मंहगाई वेतन” भी होगा।
- (घ) ऐसे स्थायिवत् सरकारी सेवक की दशा में जो अपनी सेवाओं के पर्यवसान के समय उच्चतर पद या ग्रेड धारण करता है या धारण किये था, इस नियम के अधीन “वेतन” शब्द के अन्तर्गत विनिर्दिष्ट पद के वेतन और उच्चतर स्थानापन्न पद या ग्रेड में वस्तुतः लिये गये वेतन के बीच के अन्तर का अर्द्धांश भी होगा।

- (ङ) यदि कोई स्थायित्व सरकारी सेवक अपनी सेवाओं के पर्यवसान के ठीक पहिले छुट्टी पर कर्तव्य से अनुपस्थित रहा है तो, इस नियम के अधीन देय उपदान की संगणना उसी हिसाब से की जायेगी जिससे कि तब की जाती जब वह कर्तव्य से अनुपस्थित न होता :

परन्तु उपदान की रकम वेतन में उस वृद्धि के कारण नहीं बढ़ाई जायेगी जो कि वास्तव में ली नहीं गई है और उच्चतर स्थानापन्न या अस्थायी वेतन का फायदा केवल तभी दिया जाता है जब कि यह प्रमाणित कर दिया जाता है कि यदि सरकारी सेवक छुट्टी पर न चला गया होता तो भी वह उच्चतर स्थानापन्न या अस्थायी नियुक्ति धारण किये रहता :

परन्तु यह और कि यदि वेतन में किसी वृद्धि का जिसे इस कारण नहीं लिया गया है कि वृद्धि अथवा उच्च दर के वेतन वाले पद पर उन्नति अर्जित छुट्टी के दौरान पड़ी है, फायदा भी 120 दिन से अधिक के लिए अथवा यदि कुल छुट्टी 120 से अधिक की हो तो प्रथम 120 दिन के लिए स्वीकार्य होगा ।

- (च) इस नियम में आने वाले "निरन्तर सेवा" शब्दों से इन नियमों के नियम 2 के खण्ड (ख) और (घ) में यथापरिभाषित क्रमशः स्थायित्व और अस्थायी सेवा की अल्पावधियों कुल सेवा अभिप्रेत है ।

INDUSTRIAL DISPUTE No. 8 of 1965

BETWEEN

Workmen of Singareni Collieries Company Ltd., Bellampalli.

AND

The Management, Singareni Collieries Co. Ltd., Belampalli.

APPEARANCES:

None appeared in person on either side.

AWARD

The industrial dispute between the employers of the Singareni Collieries Company, Limited, Belampalli, and their workmen was referred for adjudication by the Government of India, Ministry of Labour and Employment's Letter number 7/36/64-LRII, dated 25th January 1965 with the following issues framed in the Schedule to the order of reference, *viz.*,

"Whether, having introduced the incentive bonus Scheme in their Power House at Kothagudium, the Singareni Collieries Company, Limited, is justified in not extending the same to their Power House at Belampalli? If not, to what benefit are the workmen of Belampalli Power House entitled, and from which date?"

2. The reference was registered here as industrial dispute No. 8/1965. The claims statements by the two Unions were filed only in the second week of March 1965 and the counter was filed on 17th April 1965. Before anything further could be done, I am happy to note that the parties have come to a settlement and have sent it by registered post. I have satisfied myself that the settlement is genuinely entered into between the parties and is executed by them. On behalf of the Singareni Collieries Workers' Union Sri T. B. Vithal Rao, President of the Union, and on behalf of the Tandur Coal Mines Labour Union Sri B. Koteswararao have signed it. On behalf of the employer Sri M. Vasudevan, Officiating Deputy General Manager, Singareni Collieries Company, Limited, has put his signature to the settlement. The terms of the compromise are as follows:—

"(1) The Management have agreed to extend incentive bonus scheme to the staff and workers of the Power House of Belampalli on the basis of studies which have been undertaken by the officers of the Industrial Engineering Department.

- (2) The Management have agreed to give effect to the incentive bonus scheme, which will be framed after studies, with effect from 1st January 1965. The amounts due to the workers under the scheme will, however, be paid after the studies are completed and the scheme finalised, the payments being made from 1st January 1965.

- (3) The dispute stands settled fully and completely."

I pass an award in accordance with the settlement. It answers the issues fully.

Report accordingly, given under my hand and the seal of the Court, this the 27th Day of April, 1965.

New Delhi, the 5th May 1965

S.O. 1544.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Calcutta, in the industrial dispute between the employers in relation to the Monoharbahal Colliery, P.O. Asansol, District Burdwan and their workmen which was received by the Central Government on the 27th April, 1965.

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL: CALCUTTA.

REFERENCE NO. 51 OF 1964

PARTIES:

Employers in relation to the Monoharbahal Colliery.

AND

Their workmen.

PRESENT:

Shri L. P. Dave.—*Presiding Officer.*

APPEARANCES:

On behalf of Employers.—Shri S. C. Jha, Manager.

On behalf of Workmen.—Shri Keshab Banerjee, Genl. Secretary, Colliery Mazdoor Union.

STATE: West Bengal.

INDUSTRY: Coal Mines.

AWARD

The Government of India, Ministry of Labour and Employment, by their order No. 6/46/64-LR. II dated 12th August, 1964, have referred the industrial dispute existing between the employers in relation to the Monoharbahal Colliery and their workmen in respect of the question whether the management were justified in dismissing Shri Suraj Sukul, Tugger Khalasi, from service of the colliery and if not, to what relief the workman is entitled, for adjudication to this Tribunal.

2. In response to notices issued by the Tribunal, the workmen represented by the Colliery Mazdoor Union, filed their written statement contending *inter alia* that the employers of the colliery were exploiting the workers with the help of a gang of Chaprasis and Contractors who always used physical force; that Suraj Sukul was in the service of the colliery from 1956; that the said workman approached the so called recognised union in respect of the exploitation of the workers but the said union kept silent and did nothing for removing the workers' grievances; that in January 1964 Shri Sukul resigned from the other union and joined the Colliery Mazdoor Union and began to work actively for removing the grievances of the workmen through this union; that the management got annoyed against him for this; that on 25th March, 1964 he was chargesheeted on false allegations and was suspended simultaneously pending the enquiry; that he replied to the same chargesheet on the same day denying the charges; that the management did not hold any enquiry in respect of that chargesheet and gave a punishment of suspension for 7 days; that the said suspension order was unjustified and unfair; that he was thereafter allowed to join his duties from 1st April 1964 and accordingly when he went to resume his duties, he was called back by the manager and on some false pretext he was again chargesheeted and suspended on the

same day; that he gave a reply to the chargesheet on the next day denying the charges; that the workman raised an industrial dispute over this and the union referred the matter to the Conciliation Officer; that the management did not hold a proper enquiry regarding the second chargesheet given on 1st April, 1964; that Sukul was not given any opportunity to defend himself at the enquiry; that the management ignored the efforts of the Conciliation Officer and ultimately wrongfully and illegally dismissed him; that this order was unjustified, unfair, illegal, *mala fide*, vindictive and opposed to the principles of natural justice; it was therefore urged that he should be reinstated with payment of back wages and also that the management's order of suspending him for 7 days should also be declared illegal and he should be paid his wages for these days also.

3. The management have also filed their written statement, contending *inter alia* that the present dispute is an individual dispute; that the different allegations made in the union's written statement are false and are denied; that the Colliery Mazdoor Congress is the representative and recognised union of the colliery; that the allegations that Sukul resigned from the recognised union etc., are not known to the management; that a chargesheet was served on Sukul on 25th March, 1964 to which he gave a reply; that an enquiry was held on 30th March, 1964, when he was given full opportunity to cross examine the witnesses and to produce his defence witnesses; that the misconduct mentioned in the chargesheet was duly established and he was thereupon suspended for 7 days from 25th March, 1964 to 31st March, 1964 as a measure of punishment; that he was asked to report for duty from the night shift of 1st April, 1964; that he however went to the office of manager, threatened him, made noises, etc., and for this a chargesheet was served on him; he replied to it and thereafter a departmental enquiry was held on 7th April, 1964 in his presence when he was given full chances and opportunity to cross examine witnesses and examine defence witnesses; that in this enquiry the misconduct was satisfactorily proved and he was thereupon dismissed; it was therefore contended that his dismissal was *bona fide*, justified and based on proved misconduct and he was therefore not entitled to any relief.

4. The present reference relates to the dismissal of a worker named Suraj Sukul. It appears that several chargesheets were served on this man and several orders of punishment were passed against him in the past; but we are not concerned with any of them in the present reference. In particular, we are not directly concerned with the chargesheet dated 25th March, 1964 in respect of which he was awarded a punishment of suspension for seven days from 25th March, 1964 to 31st March 1964. That question has not been referred to for adjudication and I need not, therefore, go into the question whether the enquiry in respect of that chargesheet was properly held or not. The present reference relates to the order of the dismissal which was passed by the management as a result of an enquiry held in respect of the chargesheet dated 1st April, 1964, and that is the only matter to be considered by the Tribunal.

5. This chargesheet (dated 1st April, 1964), was to the effect that the workman went to the manager's office and abused and threatened him, etc. He was thereupon served with a chargesheet. He replied to the chargesheet. Thereafter an enquiry was held on 7th April, 1964, and as a result of the enquiry he was found guilty and dismissed. It is this dismissal which is the subject matter of this reference and we have to consider whether this dismissal was justified or not.

6. The law relating to the dismissal as a result of departmental enquiry is now well established. Where a proper departmental enquiry is held and where in the enquiry the chargesheeted person is given reasonable opportunity to cross examine the witnesses examined against him and to examine witnesses in defence, the tribunal cannot interfere in the finding of the departmental enquiry. The tribunal is not sitting in appeal against the finding of the departmental enquiry and it has no power to consider the sufficiency or the reliability of the evidence. If, however, it is found that the departmental enquiry is not *bona fide* or that the dismissal is an act of victimisation or unfair labour practice or if it is found that principles of natural justice were violated or the finding is perverse, the tribunal is not bound by the finding of the enquiry.

7. We have to bear these principles in mind in deciding the present case. As I mentioned above, the charge against the workman is that he abused and threatened the manager at the manager's office on 1st April, 1964. He was served with a chargesheet and he replied to it. Thereafter a departmental enquiry was held on 7th April, 1964. In the written statement, it is contended that the management did not hold a proper enquiry regarding the allegations in this chargesheet, and that the workman was not given any opportunity to defend himself and a show of enquiry was made by the management. These allegations are vague and it has not been stated as to what happened at the enquiry, as to in what way the

workman was denied the opportunity of defending himself or how the enquiry was a show of an enquiry.

8. At the hearing, the workmen have examined the concerned workman in support of their case. In his deposition, he has stated that an enquiry was held in respect of the chargesheet; that he attended the enquiry which was held at the manager's office; that when he went there he found that the manager was sitting there, so also was the enquiry officer; that some paper on which something had already been written was lying in front of the manager and the manager gave it to the enquiry officer to copy it out. After this one Joginder Singh was called there. No questions were put to him nor was anything read out to him but he was asked to sign on a piece of paper which he did and then left. After this a clerk named Balaram Babu was called and he was also not put any question nor was anything read out to him but his signature was taken on a paper and he then left. After this an overman named Sarju Singh and one Tanik Singh were called together and they were also not asked any questions but their signatures were also taken. They then left and then Bhola Jha was called and he was also not asked any questions but still his signature was taken. After this the workman Suraj Sukul was asked to put his signature on the paper without any question being put to him and he refused to sign unless what was written was read over and explained to him. The workman has said that no statement of any witness was recorded in his presence and he therefore did not put any question to any of them. He lastly said that he was not asked whether he wanted to examine any defence witness.

9. On the other hand, the employers have examined the officer who held the enquiry. He denies the allegations made by the workman and said that the enquiry was duly held by him. He says that witnesses were called there one by one. Their statements were recorded and in each case Suraj Sukul was asked to cross examine them but he declined to do so. After this his statement was recorded and he was asked to sign but he refused to do so.

10. I believe the management's case and I do not believe the workman's allegations. On his own admission, it does appear that witnesses were called at the enquiry and their signatures taken on papers. The workman suggests that everything was written out before hand by the manager and the enquiry officer copied out what had been written by the manager and then he called the people and without putting any question to them took their signatures cannot be believed. If such a thing was to be done, all witnesses would have been called at one time. The fact that admittedly the witnesses were called one by one itself indicates that the enquiry was properly held and the statement of each witness was recorded by the enquiry officer.

11. The original enquiry papers have been produced before me and they show that the statement must have been recorded one by one and after the signature of the person making the statement was taken, the next witness must have been called and his statement was recorded. That the concerned workman is not speaking the truth about the enquiry appears from the fact that according to him Sarju Singh and Tanik Singh were called together and their signatures were taken simultaneously and thereafter Bhola Jha was called and his signature obtained. The enquiry papers show that first Sarju Singh's statement was recorded; then Bhola Jha's statement was recorded and after this Tanik Singh's statement was recorded. On the whole, I believe the enquiry officer and the enquiry papers and hold that the enquiry was properly held. Witnesses were examined one after the other and Sukul was asked to cross examine them but he did not do so. There is an endorsement below every statement about this, supporting the management's case on the point. I might repeat that even according to the workman concerned, the witnesses were called at the enquiry one after the other and their signatures were obtained on some statements and all that he wants us to believe is that no questions were put to them and still their signatures were taken. I do not believe him on this point. As I mentioned earlier, the written statement is vague as to how the enquiry was not proper as to how proper opportunity was not given to Sukul to defend himself.

12. I therefore hold that a proper enquiry was held and as a result of the enquiry Suraj Sukul was found guilty and ordered to be dismissed. As I mentioned earlier, I have no power to see whether the finding of the enquiry officer is correct or not, as I am not sitting in appeal. That finding will have to be accepted; the result would be that Suraj Sukul's dismissal must be held to be justified.

13. The employers have also raised a contention that this is an individual dispute and not an industrial dispute. Though the dispute relates to the dismissal of an individual workman, that dispute has been taken up by a Union and it

therefore becomes an industrial dispute. It does appear that there are two unions working in this colliery and it further appears that one of them is recognised and the other is not. I am not concerned with the allegation made by the concerned workman and the present union that the other union had not taken step to safeguard the interests of the workers; that is, I am not concerned in this case with the alleged rivalry between the unions, or with the allegation that a particular union is not working properly; so far as the tribunal is concerned, it has only got to see whether this particular dispute has been taken up by a number of workmen so as to convert the individual dispute into an industrial dispute and I am satisfied about its being so.

14. It has been alleged that the employers got annoyed with the workman because of his Trade Union activities. There is no evidence on this point. On the other hand, there is evidence to show that the workman had been chargesheeted and punished in the past also. I am not satisfied that his dismissal was due to his trade union activities.

15. I hold that the dismissal of Suraj Sukul is justified, and hence he would not be entitled to any relief. In the circumstances, I order that parties would bear their own costs.

I pass my award accordingly.

AWARD.

The Central Government, by the Ministry of Labour and Employment's Order No. S.O. 896 dated 6th March, 1964, made under Section 7B of the Industrial Disputes Act, was pleased to constitute a National Industrial Tribunal with headquarters at Bombay and appoint me as the Presiding Officer thereof. By another order S.O. 902 of the same date, made in exercise of the powers conferred by sub-section (1A) of Section 10 of the Industrial Disputes Act, 1947 (Act XIV of 1947), the Central Government being of the opinion that the dispute between the parties abovenamed was of such a nature that industrial establishments in more than one

State were likely to be interested in or affected by such dispute, referred the following dispute to me for adjudication:—

SCHEDULE

"Whether the demand of class IV employees of the Synthetic Drugs Project, Hyderabad, for grant of Central Government pay scales is justified? If not, to what relief are the employees entitled?"

2. After the usual notices were issued on (1) the Chairman and Managing Director, Indian Drugs and Pharmaceuticals Limited, New Delhi, (2) the General Secretary, Synthetic Drugs Project Employees Union, Hyderabad, (3) Indian Drugs and Pharmaceuticals Unit, Synthetic Drugs Project, Hyderabad, (4) Madras Surgical Instruments Project, Madras, (5) Phyto Chemical Project, Neriamaangalam, Kerala and (6) the Anti-Biotics Project, Rishikesh, U.P., the Synthetic Drugs Project Employees' Union (hereinafter referred to as the Union) filed its written statement of claim dated 15th May 1964 and the written statement on behalf of the management was filed by the Project Administrator, Synthetic Drugs Project, (hereinafter referred to as the employers) dated 15th May 1964. The Union, thereafter on 21st May 1964 filed a rejoinder to the written statement filed by the employers, who, in their turn filed their reply thereto dated 26th May 1964. The employers filed yet another counter-statement dated 11th September 1964. The dispute was thereafter fixed for hearing on 9th October 1964 when directions were given to the parties to file certain particulars and statements arising out of their written statements and the hearing was adjourned to 12th November 1964 when further submissions of the parties were heard and certain further directions were given. The submissions of the parties were finally heard on 27th February 1965.

3. Before dealing with the dispute on its merits, it is necessary first of all to dispose of the preliminary objections urged by the employers. It was urged by the employers that the reference is bad and there is no industrial dispute as there has been no espousal of the cause of the employees. I am rather surprised at this contention having been urged considering that it was admitted at the hearing that the only union of the workmen of this project employed at Hyderabad is the union on record. It is admitted that it is a registered union bearing Registration No. 2491 and it is not denied that a substantial number of the workmen are members of the union. It is also admitted that it was this union that raised an industrial dispute and that conciliation proceedings were held by the State Government's Conciliation Officer. Since this dispute has been referred to me as National Industrial Tribunal under Sub-Section 1A of Section 10 of the Industrial Disputes Act, it does not in the least matter that the conciliation proceedings were held by the Conciliation Officer of the State and not the Central Government. The point is that the only registered union of these workmen is the union on record and that it was this union which had raised the industrial dispute which was conciliated upon by the State Government's conciliation machinery and it is the same dispute which has been referred for adjudication to me by the Central Government as National Industrial Tribunal because industrial establishments in more than one State are likely to be interested in or affected by such a dispute. In my opinion this completely establishes espousal of the cause of the workmen.

4. It was next urged, also by way of a preliminary objection, that no industrial dispute could be raised in respect of the class IV employees of this project. The surprising argument urged in support was that as these were class IV employees and the work of production in the project had not started and was not likely to start till 1966 they could not raise an industrial dispute. In my opinion this argument has no substance bearing in mind the following definition of the term "industrial dispute" as contained in section 2(k) of the Industrial Disputes Act.

"Industrial dispute" means any dispute or difference between employers and employers, or between employers and workmen, or between workmen and workmen which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person."

5. It is not denied that the Company employs a large number of class IV employees in its project at Hyderabad and there are 136 sanctioned posts for them. It is also admitted that there is an employer-employee relationship between them and the employer company. Precisely, therefore, when these class IV employees claim wage scales for themselves as are paid to Central Government employees of the same status in the Hyderabad region, they are raising an indus-

trial dispute with regard to the terms and conditions of their employment. It makes no difference that they are not yet confirmed in service. This is, therefore, an industrial dispute and there is no substance whatever in the argument urged by the learned Advocate for the Administration against this not being a valid reference of an industrial dispute.

6. Before setting out the submissions of both parties as contained in the written statements and at the hearing, I may state that this project at Hyderabad is managed by the Indian Drugs and Pharmaceuticals Limited, New Delhi. The Hyderabad Project is one of the four projects for the construction and management of which the Government of India has constituted a fully-owned company under the name and style of the Indian Drugs and Pharmaceuticals Limited. The other three projects are (1) the Madras Surgical Instruments Project, Madras, (2) the Phyto Chemical Project, Neriamangalam and (3) the Anti-Biotics Project, Rishikesh, U.P. The project was initiated in Hyderabad in 1961 and according to the employers is still in the planning and construction stage and is expected to start production in 1966, that all the employees have been appointed on a purely temporary basis since future requirements have still to be determined and the management has urged that the absorption of the required staff in the permanent posts is to be considered only when the necessary substantive posts are created.

7. The project at Hyderabad employs in all about 474 workmen. It was admitted at the hearing that under the Fundamental Rules which are applicable to the employees of the project all those on the maximum basis pay of less than Rs. 110/- are considered to be class IV employees. The union has also adopted the same position and it says that the employer company has already adopted the Fundamental and Supplementary Rules of the Central Government under which class IV employees are those who are in a basic pay scale with a maximum of less than Rs. 110/-. It is admitted that there are 136 sanctioned posts for such class IV employees at Hyderabad and this dispute has been raised with regard to them.

8. The Union in its written submissions and at the hearing has, in support of its demand for Central Government scales of pay for Class IV employees, submitted that on principle it is desirable that (1) there should be uniform system of scales of pay for all employees in a Government of India project and (2) that the project administration itself had, in respect of other payments constituting the wages of the workmen such as city compensatory allowance and house rent allowance and other conditions of service, granted these Class IV employees the Central Government rates of payments and conditions of service applicable to Central Government employees at Hyderabad. The Union has pointed out, and this is admitted, that this project at Hyderabad is at present employing about 130 class III employees to whom it is paying the scales of pay, dearness allowance, house rent allowance and city compensatory allowance payable to Central Government employees posted at Hyderabad. The Union has further stated that by paying the Central Government scales of pay to its said 130 class III employees and others, and not the State Government's, the project administration had already undertaken a liability of about Rs. 31,684/- per year. It has stated, and this was not seriously disputed, that if the Central Government scales of pay were made applicable to the 136 class IV employees, the burden thereof on the administration would not be more than Rs. 41,880/- per annum as shown in the statement filed by the Union (Ex. W.1). The Union has urged that the circular Note of the Project Administrator, Hyderabad No. SDP/A-58/61 dated 13th June 1963, (Annexure I) shows that the employees of the Company's Synthetic Drugs Project, were to be governed by the rules and conditions of service applicable to the Central Government servants and, therefore, the Class IV employees, being the employees of the company, were entitled to be granted the Central Government's scales of pay, particularly since the Class III employees are paid Central Government scales of pay and allowances, including travelling allowance.

9. The Union has annexed to its written statement copies of orders on class III employees (Annexure III and Annexure IV) to show that direct class III recruits are being paid the Central Government scales of pay whilst direct recruits to class IV posts (see items 3 and 4 in Annexure IV) are being paid the State Government's scales of pay. The Union has pointed out that an analysis of para 2 of the Circular letter No. SDP/A-58/61 dated 13th June 1963 (Annexure IV) establishes that:

(a) that the employees of the company will be governed by the rules and regulations applicable to Central Government as specified in the

Central Civil Service (Classification, Control and Appeal) Rules and the Central Civil Service (Conduct) Rules, 1955.

- (b) that the appointment of the employees will be based on the above rules and regulations.
- (c) that the management will conform to these rules and regulations.
- (d) that the service conditions of the employees of the company will be governed by these rules and regulations.

10. The Union also relies upon another Memorandum—Memorandum No. SDP/A.P.F.(1)/62 dated 7th February 1963 specifying the terms and conditions of appointment in the company (marked Annexure II), to show that as far as allowances are concerned i.e. dearness allowance, city compensatory allowance, travelling allowance and house rent allowance, Central Government allowance have been applied to Class III employees only. It has urged that Class IV employees in spite of the fact that they are also employees of the company have been deprived of the Central Government scales of pay and allowances and that this amounts to open discrimination. It has urged, "to favour one set of employees against another in the fixation of scales of pay constitutes unfair labour practice and is in violation of principles of natural justice". The Union has also relied upon the 18th Report of the Public Accounts Committee of the Lok Sabha for 1957 which had recommended that Government should issue suitable instructions to all public undertakings and other Corporations to bring their service regulations in conformity with those applicable in Central and State Government service and it has, in this connection, relied upon the observations contained in the award part I dated 8th October 1963 of the learned Industrial Tribunal Shri M. R. Meher in Ref. No. IT. 147/1962 Hindustan Antibiotics Ltd. Pimpri Vs. the workmen employed under it published in the Maharashtra Government Gazette Part I-L dated 7th November 1963 at pages 3632 to 3692 at pages 3643-3647.

11. The Union has urged that the fixation of scales of pay is an integral part of the service conditions of an employee and therefore, as the Class IV employees of the company are governed by the service conditions of the Central Government, they are also entitled to the Central Government's scales of pay and allowances for Class IV employees working in Hyderabad. It has in this connection relied upon the following observations of the Hon'ble Supreme Court in the case of the Standard Vacuum Refining Co. of India Ltd. Bombay and its workmen including clerical staff and others (1961 ILLJ 227). It has also supported its claim for the Central Government scales of pay for class IV employees by relying upon the need based wage formula adopted at the 15th session of the India Labour Conference.

12. The management in its written statement dated 15th May 1964 and in the submissions made at the hearing has, in opposing this demand submitted that this project is one of a series of four projects and that the scales of pay and other service conditions governing the respective employees of each undertaking are being adopted to suit the local conditions of each State, in order to maintain cordial relationship and harmony between the employers and their workmen and furthering industrial peace; that the scales of pay for the employees of this project have been formulated after taking into consideration the existing local scales of pay of the State Government of Andhra Pradesh and of the Central pay scales and other wage rates that are prevalent in the industrial undertakings of the places for similar types of work; that a "constructive wage structure" was evolved by the project to suit the varied categories of employees which are working in different grades in relation to the nature of their work etc. which satisfied what is known as the industry-cum-region basis of wage payment. It has pointed out that it is in addition granting other benefits such as wages for one month for every completed year of service as a contributory provident fund, free transport from the houses of the employees to the site of the project, medical facilities, uniforms, washing allowance and a special allowance of Rs. 10/- per month to the drivers and quarters are also made available to the employees on nominal rent. It has pointed out that these facilities are not open either to the State Government employees or to the Central Government staff that are working in Hyderabad. It has urged that the project is still in the planning and construction stage and is expected to start functioning in 1966 only and as such all the employees have been appointed purely on a temporary basis since future requirements cannot be assessed, and that the absorption of the required staff in the permanent posts would be considered only when the necessary substantive posts are created; that its capacity to pay cannot be judged since the project has not gone into production and it is premature to contemplate the profits it would make. It has urged that the mere fact that the

project is a Government of India undertaking would not entitle the employees to demand the applicability of Central Government pay scales to the Class IV employees of the project since this is an independent organisation with its distinct functions, rules and regulations and also management and it has an inherent right to adopt such scales of pay as it deems fit; that the grades and scales of pay are intended to be long term schemes and should not be disturbed unless a change of circumstances is alleged and proved.

13. The Union in its rejoinder dated 21st May 1964 to the Administration's written statement has submitted that its demand is not for enhancement of scales of pay, but application of Central Government scales of pay to which the class IV employees are entitled. The Union has stated that the contentions of the management that the scales of pay had been formulated taking into consideration the existing scales of pay cannot be accepted in view of the admission made by it that the service conditions of its employees working in the Synthetic Drugs unit at Hyderabad are to be those applicable to Central Government employees, until the service conditions of the employees are framed. It has urged that since the class III employees of this project at Hyderabad are being paid the Central Government scales of pay there was no justification for denying the Central Government scales of pay to the class IV employees working in its factory. The Union has denied the Company's claim that it has formulated "a constructive wage structure". It has urged that the grant of Central Government pay scales to one class of employees (class III employees) and the State Government's scale of pay to another class of employees (class IV employees) cannot be said to constitute "a constructive wage structure". On the contrary such an arrangement was likely to create discontent among the employees of the same concern, amounting to discrimination which would not be conducive to industrial peace. The Union has contended that the fact that the factory has not yet gone into production cannot justify denial of Central Government's scales of pay to the Class IV workmen.

14. The Project in its Rejoinder dated 26th May 1964 has stated that the circular dated 13th June 1963 never contemplated application of Central Government's pay scales, as it did not speak of any pay scales at all; that the circular clearly expressed the intention of the Project to frame its own rules and conditions of service. It has urged that the Administration intended to follow the Civil Service Rules only "as a matter of expediency and convenience and not of necessity and obligation." "It has urged that the simple fact that certain grades given to certain categories of the employees of the Project conform to the Central pay scales, does not justify the stand that the Project is applying the Central pay scales to its employees. It has disputed the construction put by the Union on the letters of appointment (Annexure II to the Union's written statement) and has denied that there has been any discrimination on its part. It has pleaded that its wage structure is based on local conditions and conform to the industry-cum-region principle. It has urged that until its own rules and conditions of service are formulated by the Project, "certain rules of Central Civil Service were adopted and in the same certain pay scales may have been copied simply because they suit the requirements of the project. Hence the mere co-incidence of certain pay scales, does not justify the demand that Central pay scales alone should be applied to all the employees of the Project". It has urged that if the intention of the Government was merely to ask the Tribunal to decide whether the Central Government's pay scales should be made applicable for all Class IV employees, it would not have added the clause about other reliefs if the demand for Central pay scales was not held to be justified.

15. The Project on 11th September 1964 urged certain objections to the maintainability of this reference with which I have already dealt.

16. In my opinion the demand of the workmen has substance and is justified. Now, there is no vagueness about who constitute class IV employees because under the Fundamental Rules all those who are on scales of pay with a maximum of less than Rs. 110/- are deemed to be class IV employees and both parties at the hearing agreed that this was so. There is, therefore, no vagueness or uncertainty as to the class of employees who are covered by this reference.

17. Now, with regard to the wage scales, it is admitted that the project pays its class IV employees in the scale of Rs. 50—1—59—2—65, which is the Andhra Pradesh State Government's scale of pay for class IV employees at Hyderabad. It is also admitted that the project is now paying dearness allowance to these employees at Rs. 20/- per month whereas the Central Government's rate of dearness allowance for these employees upto 1st October 1964 was Rs. 20.50 paise per month. This has now been raised under the recommendations contained in the One-Man Independent Body's report, to Rs. 28.00 per month with effect from 1st October 1964. It may be stated here that the rates of dearness allowance for Central Government employees do not vary from State to State. It is not disputed that since this reference was made the project has granted to its class IV employees an

increase of Rs. 10/- in its dearness allowance, Rs. 5/- from 1st April 1964 and Rs. 5/- from 1st October 1964, thus reducing the difference in the dearness allowance paid by it and that paid by the Central Government to its class IV employees to only 0-50 paise per month upto 1st October 1964. It is admitted that all these 136 class IV employees are paid house rent allowance and city compensatory allowance with effect from 1st April 1964 at Central Government rates prior to which the Company was paying house rent allowance only to those employees who were on Central Government scales of pay and not the employees on the State Government's scales of pay. Thus, it is clearly established that in respect of city compensatory allowance and house rent allowance, this company is now paying its class IV employees at the rates applicable to the Central Government employees in Hyderabad. I am not at all satisfied with the plea of the project that it was just be accident that it came to fix scales of pay and rates of other allowance to certain categories of its employees which coincide with those paid by the Central Government to its employees in Hyderabad. The Company's circulars and orders on which the Union relied do not support such a plea. I think that the scales of pay of Rs. 70/- plus Rs. 20.50 as dearness allowance plus Rs. 6/- as City Compensatory allowance plus Rs. 9/- as house rent allowance plus Rs. 105.50 as City Compensatory allowance plus Rs. 9/- as house rent allowance, making a total of Rs. 105.50, whereas a class IV employee of the project was as on 30th September, 1964, entitled to a total remuneration of Rs. 85/- made up as follows:—

But reverting to the scales of pay, it is admitted that the lowest paid Central Government Class IV employees in Hyderabad, e.g. Peons, are paid in the scale of Rs. 70—1—80—1—85. At the hearing it was stated that under the Central Government scales of pay applicable to its employees in Hyderabad, the lowest paid class IV employee would, as on 30th September 1964, be entitled to a basic pay of Rs. 70/- plus Rs. 20.50 as dearness allowance plus Rs. 6/- as City Compensatory allowance plus Rs. 9/- as house rent allowance, making a total of Rs. 105.50, whereas a class IV employee of the project was as on 30th September, 1964, entitled to a total remuneration of Rs. 85/- made up as follows:—

Rs. 50/- basic pay, Rs. 20/- dearness allowance, Rs. 6/- city compensatory allowance and Rs. 9/- as house rent allowance. It is also admitted that in matters of leave, travelling allowance etc. the project employees are getting the same benefits as are being granted to the Central Government employees under the Fundamental and Supplementary Rules of the Government of India. It is equally admitted that to the employees of this company's project at Delhi, the scales of pay, dearness allowance etc. are the same as for Central Government employees. I am not satisfied that this is an accidental circumstance, as suggested by the Project because Delhi happens to be the seat of the Central Government. A number of circulars have been issued by the project's head office at Delhi fixing the payment of house rent allowance, city compensatory allowance and dearness allowance at Central Government rates applicable for Hyderabad which is treated as a 'B' grade city. This would suggest that the head office of the Project desired as a matter of principle, and in my opinion a sound one, that there should be uniformity on the basis of the Central Government rate of payment in respect of dearness allowance, city compensatory allowance and house rent allowance. The Union has very seriously contended and there is material enough to support the contention, that by the Company's memorandum dated 7th February 1963 what was intended was that the Central Government pay scales and other conditions of service should also apply to the project's employees at Hyderabad. But I need not go into a detailed analysis of that Memorandum as even without that there are sufficient grounds to justify the demand of the workmen.

18. I would, therefore, hold that the demand for the Central Government's pay scales being made applicable to the Class IV employees is justified for the following among other reasons:—

- (1) The Company itself is repaying the class III employees of its project at Hyderabad the Central Government scales of pay as is applicable to the Central Government's employees at Hyderabad.
- (2) That the class IV employees are being paid city compensatory and house rent allowance as is applicable to the Central Government employees at Hyderabad.
- (3) The dearness allowance paid by this project to its employees at Hyderabad till 1st October 1964 was almost the same as is payable to Central Government employees at Hyderabad.

- (4) That on principle it is desirable that all grades of employees of a project at a particular centre should be governed by uniform rules.
- (5) That it is not desirable that there should be discrimination in respect of the basis on which the scales of pay of class III and class IV employees of the same administration in the same Centre, should be fixed.
- (6) That the class IV employees of the Company in Delhi are being paid basic wages on the Central Government scales of pay.

19. I accept the Union's contention that such discrimination would lead to dissatisfaction resulting in industrial unrest. The sound principle is that in the same unit in the same concern at least there should be uniformity of the basis on which the scales of pay are fixed for the different classes of employees. The Honourable Supreme Court in the case of Rai Bahadur Diwan Badri Das and others and Industrial Tribunal, Punjab and others, (1962 II LLJ P. 386) has observed as follows:

"In the instant case all the workmen in the press section are governed by the same conditions of service except the leave facilities, in respect of which alone a distinction was made between workmen employed on or before 1st July 1956 and those employed after that date. Generally, in the matter of providing leave rules, industrial adjudication prefers to have similar conditions of service in the same industry situated in the same region. The fact is that the very same concern provides for better facilities of earned leave to a section of its employees when other terms and conditions of service are the same in respect of both the categories of employees. It is not difficult to imagine that the continuance of these two different provisions in the same concern is likely to lead to dissatisfaction and frustration amongst the new employees. It cannot be denied that the existence of industrial peace and harmony and the continuance of the said peace and harmony are relevant factors, but their importance should not be unduly exaggerated."

20. It is no doubt true that some of the other Central Government undertakings in Hyderabad are not paying the Central Government scales of pay to their employees and in this connection the management has cited the cases of three such undertakings viz. Heavy Electricals Ltd., Ramachandrapura, Hyderabad, Hindustan Machine Tools Ltd., and Praga Tools Corporation. But, as pointed out by the Union, Hindustan Machine Tools Ltd., have recently enhanced their dearness allowance to bring them to the Central Government's rates of dearness allowance. With regard to the Praga Tools Corporation Limited, this was a State owned Corporation till August 1963. It has since been taken over by the Defence Department and its workmen are being paid annual bonus as also production bonus. It will thus be seen that at least two of these three Central Government undertakings in Hyderabad have distinct features of their own.

21. The parties have shown that a burden of Rs. 36,528 and Rs. 63,459 per year would be imposed if the employees of the company at its Madras and Rishikesh Projects respectively were also to be paid at the Central Government rates of pay. But I think that in the interest of industrial peace and in the interest of uniformity this burden cannot be considered too heavy. As pointed out earlier, the burden on this project if its present class IV employees are granted the Central Government scales of pay for their respective categories would be about Rs. 41,848 per annum. This is no doubt a fairly large amount but considering that the company itself voluntarily undertook the burden of about Rs. 81,684 when it decided to pay its 130 class III employees the Central Government's scales of pay and not the State Government's scales of pay, I cannot hold that it would be unjust on unjustified to call upon the company to bear an additional burden of Rs. 41,800 per annum in paying its present class IV employees the Central Government scales of pay.

22. In the circumstances, and for the reasons stated above, I am satisfied that the claim of the class IV workmen of this project at Hyderabad for the Central Government scales of pay is justified.

23. What remains to be determined is from what date the Central Government pay scales should be made applicable to them. In fixing the date from which these scales of pay should come into operation, I must take into consideration the fact that the project has not yet gone into operation and it is not known for certain when it will start production. In this circumstance, there is no justification in the Union's demand for its grant from the date this reference was made. In my opinion the proper date from which the awarded scales of pay should come into force should be 1st April, 1965. It will also be necessary to give directions as to how the existing pay should be fitted into the new scales prescribed.

24. I, therefore, direct that with effect from 1st April, 1965 the class IV employees of this Project at Hyderabad shall be entitled to the pay scales prescribed by the Central Government for the respective category of class IV employees employed by the project, and the same shall be revised by the project from time to time as prescribed by the Central Government. The Central Government scales of pay for the various categories of class IV employees of the project, as paid to the project's employees at Delhi are stated in Exhibit E. 1 and these scales shall apply to the Company's various categories of employees in its project at Hyderabad. By class IV employees are meant all those who are in a basic scale of pay with a maximum of Rs. 109 or less. I further direct that all those whose basic pay is less than Rs. 70 as on 1st April, 1965 shall be pulled upto Rs. 70 and those on a basic pay of higher than Rs. 70 but the amount of which is not a step in the Central Government scales of pay for his category, as awarded shall be stepped up to the next higher step in the prescribed wage scale. I further direct that all the dues of the workmen (Class IV) under this award shall be paid to them within one month of the date this Award come into force.

25. In this a fit case in which an order for costs should be made in favour of the Union, and I award Rs. 250 as costs to the Union to be paid also within one month of the date this award becomes enforceable.
